**Subject: Notification of the electronic certificate issue**

Dear Sir or Madam:

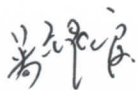

I am writing to inform you that we develop a new mode which our authorized body, AQSIQ will start an electronic certificate with electronic signature where people can print it by himself under China-Korea Free Trade Agreement. This mode will be started by April 01, 2018, and these electronic certificates will be issued by Beijing CIQ, Tianjin CIQ and Shanghai CIQ. At the same time, the existing mode will be continued.

We are enclosing the sample of the electronic certificate and a description of the security features of the electronic signature.

Contact me if you have any problem. Thank you for your cooperation.

Best regards.

Sincerely yours

Wu Yinxia

Director

# Instructions for the Security Features of CERTIFICATE OF ORIGIN for China-Korea Free Trade Agreement

1. To verify the authenticity of the certificate, please scan the QR code displayed in Box 5 and check the information including certificate number, name and address of the exporter, invoice number, HS code and place of issue.
2. An anti-counterfeiting mark shall be presented on the right top corner of the certificate. For a copy of certificate, a word COPY would be shown in the mark, while for an original document, the mark is grey square shading without any letters shown.
